www.EdmondsHWY99.org.

What is the Edmonds Highway 99 area project?

The City of Edmonds is crafting a vision and action plan to enhance the Highway 99 area.

With your help, we will create a vision to help guide the future of the corridor, develop specific actions to bring positive changes to the community, and prioritize development to attract funds for improvements.

Process
and
Timeline

1

Understanding
Existing
Conditions

March - April
2016
